NDT AND COATINGS TRAINING CALENDAR

We offer a variety of levels at our training centres and online. If you require a course or date not listed below, please get in touch and we will try our best to accommodate your needs.

Non-Destructive Testing

New to Non-Destructive Testing (NDT) and want to learn more?

Our NDT Appreciation course is great for individuals working within the NDT industry and require a basic understanding of the core methods, including quality managers, consulting engineers, marketing, and administration roles.

Get extensive hands-on experience whilst learning the theories & techniques of the core methods from our first-class trainers, who have a wealth of industry knowledge and experience. Our typical course is 3-days but can be tailored to any duration for your organisation.
