# WHY TRAIN WITH US

Blending the strong values of our parent organisation, the Institution of Mechanical Engineers (IMechE), with decades of industry knowledge and experience, we deliver professional, high-quality services to promote and improve the NDT and coatings industry by developing well-trained, highly competent professionals and supporting them and their employers throughout their careers.

## 1. Experienced and knowledgeable trainers

Our trainers have in-depth industry knowledge and experience spanning across a multitude of sectors; enabling you to fully understand the subject, feel confident taking your exam and leave feeling competent applying what you have learned in the workplace.

supporting the  
NDT industry.

OVER  
**20**  
YEARS

delivering coatings  
training.

## 2. Excellent training materials and equipment

You will learn on the latest equipment, using high-quality samples and training materials developed by industry experts, verified by professional bodies.

on NDT training courses  
at our centres.

**115k**

exams delivered  
globally.

## 3. Over 90 courses

Our knowledge of the industry enables us to provide relevant and up-to-date NDT and coatings training courses.

## 4. Flexible delivery

We deliver classroom, online and blended training courses. Classroom training can be delivered at our state-of-the-art facilities in England and Scotland, through our approved training partners around the world, or onsite at your organisation.

**85%**

global pass rate  
on NDT exams.

**93%**

of customers would  
highly recommend us.

## 5. Bespoke solutions

We can work with you to create a bespoke course, tailoring our training to meet your organisational needs and requirements.

## 6. Accredited by key organisations

Our courses for NDT and coatings methods are in line with internationally recognised and employer-based certification schemes, such as ICorr, PCN (ISO 9712), EN4179, NAS 410, SNT-TC-IA.

## 7. Money Back Guarantee

We're incredibly proud of our training capabilities, which is why we offer a Money Back Guarantee on NDT courses undertaken at our facilities in Sheffield and Dunfermline.

## 8. Feel fully supported

We will support you in every step of the way to ensure you receive the very best experience during your time with us.

# NDT AND COATINGS TRAINING CALENDAR

We offer a variety of levels at our training centres and online. If you require a course or date not listed below, please get in touch and we will try our best to accommodate your needs.

## Non-Destructive Testing

### **New to Non-Destructive Testing (NDT) and want to learn more?**

Our NDT Appreciation course is great for individuals working within the NDT industry and require a basic understanding of the core methods, including quality managers, consulting engineers, marketing, and administration roles.

Get extensive hands-on experience whilst learning the theories & techniques of the core methods from our first-class trainers, who have a wealth of industry knowledge and experience. Our typical course is 3-days but can be tailored to any duration for your organisation.
